Chapter 1 by Sam I am

Narrator's POV:

Hello reader. It's me again. It's been a while since we last spoke huh? Well... Things here aren't any good. People are bullying others. People are depressed and suicidal. No one seems to smile anymore. Not after the incident anyways. People turned to different things to fill up the hole where hope once was. Now, all that's left is chaos. But you... Yes you. You, the reader can help us. How is up to you. What are you going to do?
